Gates open at 5:30 p.m. For your best holiday experience in Christmas Village, arrive early or **at least** 1 hour before the scheduled closing time. Inclement weather such as high wind, ice and rain **may** result in an early closing or complete closing. Follow us on [Facebook](#) or on [Twitter](#) for announcements of any changes in closing times. Closing notices are also posted on our website, [overlys.com](#), generally by 4 pm. Weekends in December, specifically Saturday nights, tend to be extremely busy with waiting times to enter the Christmas Village parking lot estimated to be one to two hours. Additionally, during these high traffic times, traffic is routed through the Fairgrounds roadways. These roadways are dirt roads and family vehicles may get muddy. Visitors not wishing to wait in traffic on these busy nights may follow directional signage to the "Park At Your Own Risk" areas, pay a per person charge and walk in to Christmas Village. "Park At Your Own Risk" field parking **may not** be available if circumstances on the Fairgrounds property, such as snow or wet, muddy conditions make the parking area inaccessible or may result in property damage. **ALL LINES MAY CLOSE EARLY TO ENSURE THAT EVERYONE WAITING CAN BE ACCOMMODATED.**
