

At Overly's Country Christmas®

A Christmas Bedtime Poem

It's the time of the year for magical nights
With millions and millions of lights burning bright.

At Overly's Country Christmas®
There's a bonfire that reaches way up to the sky.
With carolers and choirs that sing upon high.
There are train rides, and sleigh rides and
wagons and more
Cookies and kettle korn, great gifts in our store.

And as you take in the sounds on the
wondrous night air
You will know you have helped others kids
who need care.

So with Santa and Twinkle®,
our own shining star
We wish you happy holidays,
wherever you are.
